

Adopt-a-Critter

NATURE CENTER

Make a donation by symbolically adopting an Animal Ambassador at the Stage Nature Center today! The Adopt-a-Critter program benefits the native Michigan animals that live at Stage Nature Center and provides you with the opportunity to contribute to their food, veterinary care, and habitat maintenance. All animal adoptions are good for a year and are tax deductible. Start by selecting the animal you would like to symbolically adopt, choose your level of support, and fill out the adoption form. Please note that adopted critters will remain at Stage Nature Center in the AquaWall to be enjoyed by all!
