About the Center

The nature center is operated by the **Troy Nature Society**. Our mission is to provide resources and education to inspire the appreciation and preservation of nature. We do this by interpreting the natural world around us and acting as an educational resource in biology, ecology and natural history for all students, young and old!

Your child's birthday will be a "natural hit" when you celebrate at the Stage Nature Center! A 60 minute nature program packed with games, crafts, and perhaps a live animal will focus on your chosen topic. After the program, you can use the room for one hour to open gifts and eat the treats you bring. Each party includes decorations, invitations, a gift for each participant, and an outdoor adventure. To reserve a party, call 248.688.9703 at least one month prior to your desired party date. Choose from one of the following birthday themes.

1-12 children • \$150 (\$12 for each additional child — maximum of 18 children)
